Welcome!

Firefly Lake Campground, sites 201-271, is very popular and located in the central portion of the forest. This 27-acre lake offers excellent swimming opportunities with its crystal clear water and fine-sand beach. Canoers and kayakers populate these waters often for great photo moments. A carry-in boat landing is available within the campground, or a landing and parking area is located on the west side of the lake – no boat motors are allowed. This campground is only about one-half mile from the Crystal Lake beach and picnic area. **Please register for camping at the Crystal Lake Visitor Station prior to setting up camp.**
